Enjoy helping kids explore art?

Don't mind getting messy with paint, clay & glue?

Want to make a difference in the lives of children who otherwise would be home alone or in the care of siblings?

We have the curriculum.

We have the supplies.

We need staff.

Temple Beth Ami's Community of Action is running an After School Art Club at South Lake Elementary School in Montgomery Village on **Tuesday and Thursday afternoons (3:30-4:15 pm) from October, 2018 - April, 2019.**

We are looking for adults and students (HS & MS) to help staff the club. SSL hours are available. B'nai Mitzvah students are welcome! It is not required that you volunteer at every session, nor that you have previous art experience.
