

# I SPY!

## Option 1: Be the best you! Compete with yourself!

Use these clues to “spy” something in your own backyard -

- 1) I Spy something blue...
- 2) I Spy something tall and more than one color...
- 3) I Spy something that crawls
- 4) I Spy something that needs water to grow
- 5) I Spy something that is hard

## Option 2: Teams!

There are two teams, “Team Grass” and “Team Sky”. Each team must have at least 2 people. Each round one person will guess and the other person will give clues. You will switch jobs each round. Each team earns 1 point for each correct guess.

### Round 1

**Team Grass:** Set a timer for 2 minutes.

**Team Sky:** Give clues and guess as many items as you can see in your backyard as possible in 2 minutes

### Round 2:

**Team Sky:** Set a timer for 2 minutes.

**Team Grass:** Give clues and guess as many items as you can see in your backyard as possible in 2 minutes

Keep going for as many rounds as you would like. Keep track of how many points you earn and see who wins the I Spy competition.
